# PFI banned

## for 5 years over terror links

New Delhi, Sept. 28 (Agencies)- After two rounds of nationwide raids and arrests of over 240 members of the Popular Front of India (PFI) in a week, the Centre late last night banned the outfit for five years over terror activities.

The PFI and its affiliate organisations have been declared an "unlawful association" under the Unlawful Activities (Prevention) Act (UAPA), the Government said, citing the outfit's links with the Students Islamic Movement of India (SIMI), Jamat-ul-Mujahideen Bangladesh (JMB) and Islamic State or ISIS and said the PFI is involved in several criminal and terror cases.

Besides the PFI, organisations linked to it have also been banned. They are Rehab India Foundation (RIF), Campus Front of India (CF), All India Imams Council (AIIC), National Confederation of Human Rights Organisation (NCHRO), National Women's Front, Junior Front, Empower India Foundation and Rehab Foundation, Kerala.

The now banned outfit has been accused of raising funds, from both India and abroad, through *hawala* and donations as part of a "well-crafted criminal conspiracy". "With funds and ideological support from outside, it has become a major threat to the internal security of the country," said the Home Ministry order.

The Ministry said the PFI has been involved in violent acts like, "killings of people associated with organisations espousing other faiths."

Three States — Karnataka, Gujarat and Uttar Pradesh — have recommended a ban on the organisation, the Ministry said. Minister of State for Home Affairs Ajay Mishra Teni said the decision to ban the PFI was taken based on evidence gathered by central agencies during the investigation.

PFI leaders and functionaries across 15 States were first raided on Sept. 22, in a coordinated move by National Investigating Agency (NIA), Enforcement Directorate (ED) and the State Police, leading to over 100 arrests. The second round of nationwide crackdown on the organisation was carried out yesterday. A total of 247 arrests have been made so far, officials said.

## EDITOR'S BOTTOMLINE

***Today, every Government puts in constant efforts to resolve political conflicts, restore communal peace, settle industrial disputes, end militaristic confrontations and so on, but we find that despite best efforts by the people in power, we are no where near our goal. Why is it so? Perhaps one of the main reasons for our failure is that we try to end these various kinds of conflicts separately. In other words, we make separate efforts to have harmony in each sphere thinking that harmony in all these would, ultimately, bring peace to all these fields. But we fail to realise that such piecemeal efforts will not serve any purpose because, before we have eradicated the causes of conflicts in one sphere, these would reappear in an aggravated form in another sphere. So, then what actually is the remedy? How do we achieve harmony in all the spheres and for all times? In other words, we ourselves are the source or generators of these conflicts. After all, political, economic, religious and other aspects of life are the various facets of the human personality, aren't they? These are the manifestations of various human interests. So, it is disharmony at this source that causes various kinds of disharmony in the world.***

***Hence, if there is a conflict between man's mind and intellect, or man's emotions and intellect, or even between intellect and intellect, then this is bound to find its manifestation in various forms like political, economic, religious, social, cultural, etc. It is, therefore, necessary that the inner conflict within human beings be first resolved to achieve inner harmony. When there is inner peace in man is when there will be peace in the world. So, let us join our hands to bring universal stability through inner stability thereby creating a harmonious environment to live in.***

### Woman claims to be living on water for 41 years

Tan Trach: A 63-year-old Vietnamese woman claims to have given up solid food over four decades ago and survived on water spiked with a bit of salt, sugar and lemon juice ever since.

Ngon is famous in her native Tan Trach commune, Vietnam's Long An province, for her very unique diet. For the last 41 years, she has allegedly been living on water with a few grams of salt and sugar, as well as a bit of lemon juice, completely shunning all other nutrients. She not only appears to be in tip-top shape for her age, but she is in great health, is always full of energy and can execute Yoga poses that people decades younger than her wouldn't even dream of attempting. She considers water vital to her health in the same way that watering is to a tree...

### Squirrel shuts down bakery for two days

Pitlochry: The Greggs bakery in Pitlochry was closed Sunday after a red squirrel was found living in the roof the previous day, and the squirrel was photographed through a window wandering around the closed business.

The bakery remained closed Monday after initial attempts to safely extract the squirrel were unsuccessful. The Scottish SPCA confirmed it was contacted about the squirrel Saturday.

"As the squirrel was very high up in the rafters, we advised the member of the public to leave an exit for the squirrel in the hope the animal would come down of their own accord," a representative said.

Specialists are working to safely extract the squirrel, which is a protected species in Scotland. Greggs officials said the store will be thoroughly cleaned before reopening once the animal is safely outside.

## HEALTH CAPSULE

Constipation during pregnancy is completely normal. This is due to the hormonal changes that occur in the body and iron tablets. This can be easily overcome by consuming plenty of oral fluids and adding high fibre foods like fruits, vegetables, beans and whole grains. Rarely stool softener syrups are required.

## Ramakrishna Vidyashala signs MoU for AI-based evaluation development

Mysuru, Sept. 28- Sri Ramakrishna Vidyashala, Yadavagiri, Mysuru, has entered into an MoU with Abull Technologies of Hyderabad to have an assessment process to determine better performing standards for the students at the institute.

The said programme will evaluate and determine the best standards that needs to be incorporated for students in realms of academic and philosophical and holistic development. Abull Technologies will evaluate using Big Data Analytics and AI and ML. The idea is to become more flexible in changing education system paradigm shift.

Students who are already determined to achieve at the school are ever enthusiastic and energetic to attempt and being an edge to their entire synergy.

Swami Yukteshanandaji, Correspondent of Ramakrishna Vidyashala expressed the interest to modernise the ever-changing education paradigm and encourage students to achieve big.

Srilalithaadithya, Founder and Managing Director of Abull Technologies, was present.

- ***Using leeches in medicine is still not an uncommon practice. The anticoagulant in their saliva, called "Hirudin", is used as a medicine to prevent blood clotting.***
- ***Although the practice of leeching is still prevalent, the objectives and uses have greatly evolved since the 18th century.***
- ***Exposure to synthetic estrogen as used in contraceptive medicines, which may enter freshwater ecosystems from municipal wastewater, can affect leeches' reproductive systems. # UGD works at CFTRI Layout: Plea to barricade open pits

Sir,

Mysuru is celebrating Dasara and most of the city roads are being improved by filling of potholes and with patch works but ironically at the CFTRI Layout, where most of the retired scientists from CFTRI are residing, the road is dug up to lay UGD pipes. The work started about a fortnight ago and left half-done with a big pit resembling a well at the junction of 1st Main, 4th Cross and 2nd Main. This has blocked entry to some lanes of the Layout.

For the last few days, work has come to a standstill. Since one of the high capacity JCBs has been removed from the scene, there is no sign of resuming the work anytime soon. This is causing a lot of inconvenience to the residents, most of them senior citizens.

Moreover, there is no clarity about the directions in which way UGD lines will be laid as the pipes have been placed on the 1st Main as well as 2nd Main. The pit has been left open and not even barricaded which may result in vehicle riders/ animals/ joggers/ evening walkers falling into it. Hence, we would like to draw the attention of the City Corporation authorities concerned to barricade the pit area and complete the UGD pipe laying work as soon as possible.

# Pt. Ballesh Bhajantri to perform at Chikkagadiyara tomorrow

Mysuru, Sept. 28- 'Shehnai Chakravarthy' Pandit Dr. S. Ballesh Bhajantri will present Shehnai Recital at Chikkagadiyara (Dufferin Clock Tower) in city between 8 pm and 9.30 pm tomorrow (Sept. 29). An Internationally celebrated Shehnai artiste and (Patiala Gharana) vocalist, ghazal singer, Pandit Dr. Ballesh hails from M.K. Hubli town of Belagavi district.

*Pandit Dr. S. Ballesh Bhajantri*

Pandit Ballesh was conferred with India's fourth-highest civilian award 'Padma Shri' on 73rd Republic Day in 2022, in the field of Art, by the then President of India Ram Nath Kovind and by this great honour, the Government of India has brought back the Shehnai to centrestage.

With this recognition, Pandit Ballesh (known generally as Ballappa) became the second classical musician of India after Ustad Bismillah Khan to receive the coveted award. It may be mentioned that K.B. Ganapathy had written about Pt. Ballesh Bhajantri in his *Abracadabra* column in yesterday's *Star of Mysore*. He had also hoped that Ballappa is invited to perform in Dasara music programme.

# Poona Agreement harmed Dalit Community: Ramdas Athawale

Mysuru, Sept. 28 (PM&TRR)- Union Minister for Social Justice and Empowerment Ramdas Athawale has said that if the Poona Agreement was not done, Dalits would have got separate voting rights and the community would have got more opportunities and representations.

The Minister was speaking after floral tributes to the portrait of Dr. B.R. Ambedkar and inaugurating a seminar on 'Nine Decades of Political Reservation: Issues, Effects and Changes' organised on the eve of Poona Agreement Day, by University of Mysore's Dr. B.R. Ambedkar Research and Extension Centre, at the Centre's Vishwajnani Auditorium recently.

"At the First Round Table Conference Dr. Ambedkar argued for the separate voting rights for Dalits and Scheduled Tribes (STs) and the Britishers had agreed for this. Dr. B.R. Ambedkar had argued that though we were Hindus, we were not allowed inside temples, not supposed to touch water of lakes, ponds and rivers. There was a practice of untouchability everywhere. Hence, they need separate voting rights and had convinced the Britishers to accept his argument. But Mahatma Gandhi opposed this saying that Hindu community will be divided if separate voting rights are given and started a hunger strike at Pune's Yerawada prison," he added.

"Dr. Ambedkar was not for Poona Agreement. When Gandhiji did not accept the separate voting rights for Dalits and STs, Dr. Ambedkar proposed the Reservation System. Dr. Ambedkar reluctantly agreed to the Poona Agreement fearing threat of life to Mahatma Gandhi and the resultant dangers to the Dalit and ST community," said the Union Minister.

***University of Mysore VC Prof. G. Hemantha Kumar and others presenting a portrait of the Preamble of the Indian Constitution to Union Minister Ramdas Athawale*** *(second from right).*

"Dalit community doesn't have more than 22 percent of population in any of the Constituencies. Because of this, we have to depend on upper castes to contest the elections. We really need separate voting rights. But Dr. Ambedkar's dream was not fulfilled. Otherwise, he would have become the Prime Minister. His death, soon after our independence, was a great loss to our community. Today, we are availing many benefits because of Dr. Ambedkar," he opined.

The Union Minister said that the Union Government is committed to the encouragement of Higher Education of Dalit students. Last year, 120 Dalit students were provided assistance to study in foreign countries. Financial assistance of Rs. 30 lakh to Rs. 90 lakh will be given and asked the Dalit students to make use of this opportunity.

New Delhi Jawaharlal Nehru University's Centre for the Study of Social Systems Head Prof. Vivek Kumar, who spoke on the occasion, said that Dr. Ambedkar believed that representations are needed to strengthen Democracy. "Apart from the Legislature, he sought for reservations in the Ministry also. In this backdrop, we should think of representations once again. Reservation is not a poverty elimination programme. It should be inclusive of Dalits, Backward Classes and Women. Reservations should continue till we get adequate representation," said Prof. Vivek Kumar.

**Grants sought**

University of Mysore Vice-Chancellor (VC) Prof. G. Hemantha Kumar appealed to the Union Minister to release a grant of Rs. 6.9 crore towards the 4th phase works of Dr. B.R. Ambedkar Museum and Dalits Registration Centre. The VC also informed the Minister that Mysore University has set up Buddha Study Centre and Member of Parliament V. Sreenivasa Prasad had appealed to Prime Minister Narendra Modi, during the latter's recent visit to Mysuru, to sanction a grant of Rs. 10 crore towards setting up of Buddha Study Centre.

Dr. B.R. Ambedkar Research and Extension Centre Director Dr. S. Narendrakumar, Prof. Dr. J. Somashekar and others were present on the occasion.

# Floral tributes paid to Hero Stones at Veeranagere

Mysuru, Sept. 28 (TRR)- On the eve of the Dasara Festivities, Mysuru Nayakara Pade offered floral tributes to *Veeragallu* (Hero Stones) at Veeranagere here.

On the 14th day of *Mahalaya Paksha (Chaturdashi)*, there is a tradition to perform *Pinda Pradhana, Tarpana, Ellu Neeru* and offer *Ede* to our deceased ancestors. But it is rare to show our gratitude to our heroes who sacrificed their lives to protect us and our land. M. Ramakrishna of Paduvarahalli is an exception and he is observing this special event over the years.

Veeranagare is a historic place to be written in Golden Letters of erstwhile Mysore kingdom. There are hundreds of *Veeragallu* and *Mahasati Kallu*. These stones and pillars are the epitome of sacrifices, heroism of warriors who sacrificed their lives for the Mysore kingdom and for the safety of the people. Hero Stones are the fond memories, which depict the heroism and the sacrifices of our warriors to the entire world.

On the occasion of *Ghatha Chaturdashi* (for those who died from weapons), these heroes are offered floral tributes to express gratitude.

Dr. Shelvapillai Iyengar, Head of Department of Ancient History and Archaeological Studies, KSOU, explained about the heroes of Veeranagere. He offered floral tributes to the heroes of Veeranagere and appealed to the State Government to protect the historic place.

# Power of Rakhi: PM Modi writes to Dr. Manik Bengeri

Dr. Manik A.V. Bengeri of Mysuru commemorated the 75th year of India's Independence in a novel way last month. Well-versed in the art of crochet, this septuagenarian decided to make use of her skill to not just exemplify her patriotism and salute our soldiers but also generate funds for the Army through her skill, in a small way.

So she herself crocheted items such as National Flags, key chains, badges, car hangars, garlands, wrist bands, rakhis — all in the colours of our National Flag and complete with the Ashoka Chakra.

The true patriot that she is, Dr. Manik Bengeri, besides distributing the hand-made Tricolour Flags and wrist bands to her friends and well-wishers in Mysuru, also packed a few boxes with these items and sent them by Speed Post to the President of India, the Prime Minister, Defence Minister, Army Chief and a few other VVIPs with a covering letter wishing them on the occasion of *Azadi Ka Amrit Mahotsav* and *Raksha Bandhan* (Aug. 12).

Surprisingly, a few days ago she received a letter written in Hindi from Prime Minister Narendra Modi by Speed Post thanking her for the gift box which also contained a rakhi, symbolising the sacred relationship of brother and sister.

The letter in Hindi by the PM is published here along with the English translation of the same:

डॉ. मानिक ए. व्ही बेंगेरी जी,

रक्षाबंधन के पावन पर्व पर राखी भेजने के लिए आपका ह्रदय से धन्यवाद। स्नेह के रक्षा सूत्र से भाई-बहन के रिश्ते को प्रगाढ़ करने वाले पर्व पर आपकी इस सहृदय अभिव्यक्ति ने मुझे राष्ट्र के लिए निरंतर कार्य करते रहने की नई ऊर्जा से भर दिया है।

इस वर्ष के रक्षाबंधन ने देश की आजादी के अमृत महोत्सव को और विशेष बना दिया है। 21वीं सदी का भारत, राष्ट्र निर्माण के नए संकल्पों की सिद्धि की ओर अग्रसर है।

वर्ष 2047 में भारत की आजादी के शताब्दी वर्ष तक, अगले 25 वर्षों के अमृत कालखण्ड में, सम्पन्न आत्मनिर्भर भारत के निर्माण में हमारी मातृशक्ति की भूमिका सबसे अहम् सिद्ध होगी। हमें विज्ञान है देश व समाज की बेटियों में और अपने प्रयासों से महत्वपूर्ण योगदान देंगी और दूसरों को भी प्रेरित करती रहेंगी।

आपके उत्तम स्वास्थ्य और उज्ज्वल भविष्य की कामना सहित।

***Dr. Manik A.V. Bengeri Ji,***

Thank you very much for sending rakhi on the auspicious occasion of Raksha Bandhan. This affectionate expression of yours on the festival that deepens the eternal bond between the brother-sister with the sacred thread of affection has filled me with new energy to continue working for the nation.

This year's Raksha Bandhan has made the *Azadi Ka Amrit Mahotsav* more special when India of the 21st century is heading towards nation-building with new resolutions.

In the next 25 years of Amrit Kaalkand, when India will celebrate its centenary year of Independence in 2047, the role of women power will prove to be very important in building a grand and self-reliant India. I believe that you will make a significant contribution with your efforts for the betterment of the country and society and will continue to inspire others as well.

Wishing you good health and a bright future.

# Tourism sector unhappy over Dasara promotion

## 'Last-minute preparations, absence of Gold Cards, lack of publicity'

Mysuru, Sept. 28 (MK&BCT)- Though the tourism sector is upbeat as a grand Dasara is back with a bang after a gap of two years, the stakeholders are not too happy with the way the festival is being handled, conducted, projected and publicised.

Though many events are being held to project Mysuru Dasara as a global event, nothing concrete is being done for the tourism sector, say the stakeholders.

Last evening, an event was held as part of World Tourism Day where a message of tourism revival was sent, loud and clear. District Administration organised the event along with Mysuru Hotel Owners Association and also the Mysuru Travels Association (MTA). The event was held on a grand scale with a procession from the Palace North Gate.

The cultural procession resembled a mini *Jumboo Savari* with 13 elephants and cavalry. They were accompanied by a host of cultural troupes like Dollu Kunitha, Nadaswaram, Kamsale, Thamate Vaadana, Huli Kunitha, flute performance by Tibetans from Bylakuppe, Garudi Gombe from Mangaluru and other teams.

The procession passed through the *Jumboo Savari* route and reached Bannimantap.

### World Tourism Day celebrated

During the inauguration, Mysuru District Minister S.T. Somashekar claimed that such events will boost the tourism sector in Mysuru and will attract tourists from far and wide. The Minister said a suitable decision will be taken on the Dasara Gold Card.

MLAs L. Nagendra and S.A. Ramdas, Mysuru Hotel Owners Association President C. Narayanagowda, Federation of Organisations and Associations of Mysuru (FOAM) President B.S. Prashanth, MTA President C.A. Jayakumar and others were present. Though World Tourism Day was held in a grand manner, the tourism stakeholders are not happy with the way the sector is handled. "Dasara has begun and there is still no news of Gold Cards. Every day tourists ask for Gold Cards and there is demand. The Government must make use of grand Dasara to attract more tourists," said Prashanth.

Stakeholders said that many Dasara events, that too big-ticket events and guests are planned at the last moment and this leads to confusion. "It is a show dedicated to politicians and not tourists. This year's Dasara was the best opportunity for the Government to showcase it in a better manner. Though it was decided to give wide publicity to Dasara, nothing has been done for tourism promotion," said a stakeholder.

# Mysuru City gets special mention

**(Continued from page 1)**

The felicitation programme will be held at Talkatora Stadium in New Delhi between Sept. 29 and Oct. 1 as part of the valedictory session of the Swachh Shehar Samvaad and Technology Exhibition.

"I would like to extend my heartiest compliments to the State and city teams for enthusiastic participation in the ISL displaying your strong commitment towards the vision of garbage-free cities. I am happy to inform you that following the successful conduct of ISL activities across more than 1,850 cities, a rigorous evaluation was undertaken, and the top city teams have been shortlisted for a special felicitation programme," Roopa Mishra stated.

While Mangaluru city has been shortlisted under the 3 lakh to 10 lakh population category of the ISL, Karwar has been shortlisted under the 50,000 to 1 lakh population category and Holalkere and Mysuru have been shortlisted under the special mention category with 3 lakh to 10 lakh population.

In the League, cities got an opportunity to detail their novel activities at the national level.

Participation of the youth in the league, novel ideas in implementing activities and the improvement in urban cleanliness as a result of the activity, were the guidelines on the basis of which the national winners were decided.

The contests underlined the magnitude of the effort made by local bodies and their sanitation workers in ensuring cleanliness, taking the help of youth to increase public awareness on avoiding dumping of garbage, and sending the message of clean water sources.

**Speaking to *Star of Mysore* this morning, Mysuru City Corporation (MCC) Health Officer Dr. D.G. Nagaraj said that as part of the award ceremony, a seminar will be held in New Delhi on Sept. 29 and Sept. 30 while the main award ceremony will be on Oct. 1.**

**"There will be a representation of Mysuru by Mayor Shivakumar, Deputy Mayor Dr. G. Roopa, MCC Commissioner G. Lakshmikantha Reddy and Health Officer (Dr. Nagaraj). We are yet to decide on who will go to New Delhi but the city will have to be represented," he added.**

During the course of conversation, Dr. Nagaraj said, Mysuru will not get any cleanliness award until the Sewage Farm at Vidyaranyapuram is cleared of all legacy waste. "We have been told many times by the *Swachh Bharat* team during surveys that the legacy waste is a blot on an otherwise clean city," he said.

# Stakeholders demand Dasara Authority again

*C.A. Jayakumar*

Mysuru, Sept. 28 (MK&BCT)- Mysuru is still dependent on tourism revenues and there are many livelihoods attached to it. But the Government is not taking it seriously though the sector generates revenue in the form of taxes and GST, said Mysuru Travels Association (MTA) President C.A. Jayakumar.

Speaking to *Star of Mysore* along the lines of World Tourism Day, he said that instead of announcing new projects and new schemes, the Government must focus on the existing tourist venues in Mysuru, Mandya and Kodagu where the fullest potential has not been tapped yet.

"This year, apart from some events that have been done as an eyewash, there are no concrete events to boost Mysuru's tourism. Promotions across the State and country have not been done and there is no news of Gold Cards though Dasara is coming to a close. Many crucial activities that attract tourists like the adventure activities including water sports and air show have been dropped this year," he lamented.

**Tourism Minister absent from scene**

"Moreover, we have a Tourism Minister who does not have any interest in tourism and though Mysuru is a tourist capital, no one from Mysuru can meet the Minister. There is no one to lead the city so that it can have a 365-day tourism vision and plans. Things are going haywire and this year is like any other year with no incentives to the tourists," he rued.

There is a tourism budget and it can be made use of for events like Dasara which also attracts huge revenues to the State exchequer. "Every year, we know when is Dasara and preparations can begin months in advance. Unfortunately, here the preparations are done at the last moment," Jayakumar said.

"We demand a permanent Karnataka Dasara Authority on the lines of Karnataka Exhibition Authority so that the confusion that prevails every year during Dasara is minimised," he said.

Elected representatives and tourism stakeholders from Mysuru have been demanding Dasara Authority for many years but the Government has not taken any decision on that. Dasara Authority would streamline the way the festivities are conducted in coordination with several departments, agencies and public.

"Unfortunately, the Dasara Authority has not materialised yet. If it is constituted, there will be a dedicated set of people who will manage things, publicity, scale of celebrations, revenue and other areas. This will also boost tourism and generate more revenue to the State," Jayakumar added.

# District Minister goes on night rounds in city

Mysuru, Sept. 28 (SBD&DM)- A day after the inauguration of Dasara festivities, District Minister S.T. Somashekar on Tuesday, went on a night rounds on main thoroughfares of the city and reviewed the cleaning drive undertaken by the MCC.

The Minister, who began his night rounds after taking part in the Dasara cultural programmes in the Palace premises, passed through Ayurveda College Circle, Highway Circle and Millennium Circle and inspected the cleanliness and hygiene maintained along the roads. During his inspection, he interacted with Pourakarmikas and lauded their service in keeping the city clean and tidy. At Highway Circle, Somashekar had tea with Pourakarmikas at a Hotel premises.

**Visits Aahara Mela**

Somashekar later visited the ongoing Dasara Aahara Mela at Scouts and Guides Grounds and was surprised to see a large crowd of people having food even after 11 pm. He advised the authorities to ensure hygiene in the vicinity of the Aahara Mela venues as a large quantum of waste is generated. He also directed the officials to ensure that wastes generated at the spots be cleared regularly in an appropriate manner.

The officials apprised the Minister on the measures taken for ensuring hygienity. They pointed out that the Aahara Mela organised at two venues in the city — Scouts & Guides Ground near the Deputy Commissioner's office and MUDA Grounds near Lalitha Mahal Palace — has been a huge success, with 25,000 people visiting on Tuesday.

Mayor Shivakumar, former MUDA Chairman H.V. Rajeev, DC Dr. Bagadi Gautham, MCC Commissioner G. Lakshmikantha Reddy, MCC Health Officer Dr. Nagaraj, City BJP President T.S. Srivatsa, leaders M. Appanna, M.V. Ravishankar, Mahesh, Devaraj and others accompanied the Minister.

# Crawford Hall lighting still remains lacklustre

## Illumination attractive; better than last year, justifies VC

Mysuru, Sept. 28 (PM&BCT)- It is normal for any administration to justify their actions though the actions are criticised by the public. Take the illumination of Crawford Hall for example. The lacklustre illumination has come in for intense criticism from the public as it has been done in an untasteful manner.

Usually, this particular heritage building is illuminated attractively every year and the structure competes with other heritage structures during Dasara and people come from far and wide to see it. But this year, illumination has been done just for the heck of doing it and the laxity is on display every night.

Following public criticism, *SOM* had published a report on Sept. 26 under the title 'Illumination mars beauty of heritage Crawford Hall' to highlight the issue. Many people, especially those who studied at Mysore Varsity, said that they were disappointed to see a dull building with only a couple of serial lights.

Even after two days, the University authorities have not bothered to change the lighting patterns and the building still sports the same look. Reacting on the issue, University VC Prof. G. Hemantha Kumar said that two power lines were not working for two days and now they have been set right.

"We too have got positive opinions about the illumination and it has been done beautifully. We did not want the Crawford Hall to look the same as last year and this year, we wanted a change. We had communicated this to the contractor and he has made it attractive. Many have told us that the lightings are better this year," the VC justified.

"Last year, only green lights were put on and this year, there is an attractive mix. Many people have appreciated the colour schemes and this year, there are many additional colours. I am in New Delhi on a work-related visit and will return to check the lights for myself to take appropriate action," he said.

# First Anatomical Expo in city

Mysuru, Sept. 28 (RK&KS)- As part of Dasara-2022, Medical Education Minister Dr. K. Sudhakar inaugurated the first anatomical exhibition, organised by the Anatomy Department of Mysore Medical College & Research Institute (MMC&RI), in association with the District Administration, Zilla Panchayat (ZP) and Heath & Family Welfare Department at MMC&RI premises in city yesterday, which attracted a large crowd.

Speaking after inaugurating the expo, Minister Dr. Sudhakar said that it is for the first time that Arogya Dasara has been organised and added that the Arogya Dasara concept came to their mind following the challenges faced during COVID pandemic.

He further said, "We wanted to spread awareness on the way the challenges were handled and also about the lessons learnt during COVID pandemic."

Dr. Sudhakar said that Rs. 118 crore was spent in Mysuru district alone to provide treatment for various ailments to Ayushman Bharat card holders and claimed that five crore health smart cards would reach the people in the next 100 days besides stating that 85 lakh cards were distributed in the last 15 days.

The anatomical expo of real human body has collections of various specimens and various stages of foetus development, human skeleton, embryology models and plastinated specimens are on display.

Medical students were seen explaining about human organs and medical equipment, which have been displayed.

MLA L. Nagendra presided. District Minister S.T. Somashekar, Mayor Shivakumar, Deputy Mayor Dr. G. Roopa, National Health Campaign MD Dr. Arundathi, MMC&RI Dean and Director Dr. K.R. Dakshayini, District Health Officer Dr. K.H. Prasad, District Surveillance Officer Dr. C.M. Jayanth, K.R. Hospital Medical Superintendent Dr. N. Nanjundaswamy, Cheluvamba Hospital's Dr. Rajendra Kumar and others were present at the venue.
